

European Association for the Education of Adults

EAEA (European Association for the Education of Adults) is a European NGO with 127 member organisations from 43 countries working in the field of adult learning and representing more than 50 million women and men learners Europe-wide.

The main roles of EAEA are:

- Policy advocacy for lifelong learning at a European level
- Provision of information and services for our members
- Development of practice through projects, publications and training
- International co-operation with other stakeholders in the field
